## CALUMET POLISH HUSSARS TO OBSERVE AN HISTORIC EVENT

Insurrection of 1830 Will be Celebrated With a Splendid Program and Social Evening on Saturday of This Week—Four Act Drama to be Presented—Cast of Characters.

The Polish Hussars of Calumet a well known fraternal organization, will celebrate the Polish insurrection of 1830, with a splendid program and social evening Saturday of this week. The event will take place in the Italian hall.

A four act drama, "A Polish Gentleman in America," will be produced by a capable local cast. Preceding the drama, the Polish children of St. John's parochial schools will present a program of songs, drills, etc. They are being prepared for this by Edmund Wiatkowski, principal of the school. Mr. Wiatkowski is also staging the drama, and has charge of the rehearsals.

During the evening Rev. Fr. Wolny, pastor of the church, will give an historical address on Poland. A large attendance is looked for, and it is believed the coming celebration will be one of the most pleasant ever held by the Poles of Calumet.

The following is the cast of characters for the drama:  
Jacenta, heir, Anthony Luka.  
Wanda, his wife, Cecelia Kondziora.  
Severyn, their son, Walter Latowski.  
Gorski, land steward, John Adamski.  
Wickela, his daughter, Nellie Luka.  
Mroczek, laborer, Ignace Moczyński.  
Mary, his wife, Frances Luka.  
Andzia, chambermaid, Anna Zwierzechowska.

### OSBORN'S CHANCES BEST.

Fight Between Warnerites and "Antis" Aids U. P. Candidate.

While the contest for the republican gubernatorial nomination has been in progress but a short time, the factions in the state are already pretty well lined up, says the Detroit Times. Students of political events are now figuring from the allegiances made, just about how the three declared candidates, Chase S. Osborn, Robert M. Montgomery and Patrick H. Kelley, will run in the several congressional districts.

The Warner faction is backing Kelley largely, while the anti-Warnerites are massing behind Montgomery. This has proven a great advantage to the Osborn cause. It is the feeling of a great many representative leaders that the factionalism which has embittered party struggles in the past few years should be done away with. Osborn is not attached to either faction, and the cry is going up to erase the old enmities by nominating a candidate who will have the backing of neither.

"A plague on both your houses," quote the Osborn enthusiasts with regard to the Warner and anti-Warner divisions, and this sentiment has been a powerful aid to the upper peninsula candidate. From the first forecasts, with the upper peninsula swinging into line for Chase S. Osborn, his chances appear much the brightest. So far, however, the surface indications are based only on the affiliations of the strong party men in the different towns and counties.

### NOVEL MALE GLEE CLUB.

One Will be Organized Here With Voices From All Nationalities. A movement is on foot to organize a novel male glee club, to number at least 50 voices, and probably more. It is the intention to secure members from every nationality in Calumet. Finns, English, Austrian, Germans, Swedes and Norwegians are to be invited to become affiliated with the club.

A meeting will be held next Sunday afternoon in Justice C. O. Jackson's office for organization. Invitations have been mailed a large number of prominent amateur singers in Calumet, and it is expected that many of these will attend. It will likely be known as the national glee club.

It is the intention to give a number of musical oratorios and dramas, incorporating the works of some of the great masters.

### VOLLEY BALL CONTEST.

Interest in Contest Arranged by Y. M. C. A. for Tomorrow Afternoon. Considerable interest is being taken in the volley ball contest that has been arranged for tomorrow afternoon between the Business men and the seniors of the Y. M. C. A. The game will be called at 4 o'clock promptly, nine times. The businessmen have a very strong line-up for the game, and promise to put up a stiff contest. The line-up for the businessmen will be D. R. McGrew, A. Parmeter, George D. Westerman, Walter Edwards, W. VanKuren, A. Toffe, Dr. R. R. Spaulding and C. W. Hungerford. Foster Borgstrom is captain and manager of the seniors, and is getting together a strong team.

There will be something doing every minute of the day in the Y. M. C. A. gym and swimming pool tomorrow. The juniors will occupy the gym in the morning, and preceding the game, Rev. M. Barrett, of the Red Jacket Congregational church, will give an address to the boys on the origin of the day. Following work in the gym the boys will proceed to the swimming pool, where they will hold their first aquatic meet in the new building. There will be a running jump for distance, a dive for form, and a swim the length of the pool, breast stroke.

This evening the butchers and the Y. M. C. A. will play a game of indoor baseball. It will mark the last practice match previous to the opening of the Calumet indoor baseball league season. This league starts Saturday evening this week in the Y. M. C. A. gym, when a game will be played between the North Tamaracks and the C. & H. machinists.

### DON'T BE MISLED.

Recently the public was informed that one, and only one, Inner-Player piano existed in the world. Don't be misled—there are many. For instance, Grinnell Bros. have placed within their best model Inner-Player, the world's famous Steinway has recently done the same, the Aeolian company was the first to build an outside player, this concern has now consolidated with the Weber line in the manufacture of Inner-Players, and all piano concerns of any consequence are building an Inner-Player. During the past few weeks, a large number of visitors have been entertained by Grinnell Bros. Inner-Players at the sale car. Those who have purchased Inner-Players from them are being furnished free the service of the largest library of records in the world, for a period of three years. Grinnell Bros. are the Michigan representatives of the other makes always mentioned.

The Hamu band will give a promenade at the Calumet Light Guard Armory Saturday evening, Nov. 27th. A selected program has been prepared for this occasion. Admission, gentle, 50 cents, ladies free.

## TIME IS NOT YET RIPE FOR ORGANIZING U. P. CONSISTORY

Matter Will be Informally Discussed at Friday Night's Banquet but Until a Suitable Hall is Built it is Not Likely an Organization Such as Proposed Will be Formed.

The first annual banquet of copper country Consistory Masons will be held Friday evening at the Miscowauk club, Calumet. It is expected that there will be more than 100 members present.

Senator Charles Smith of Hubbell will act as toastmaster, and a number of toasts will be responded to by those present. Special street car accommodations will be made for the benefit of those residing in the Portage Lake and Torch Lake districts.

The banquet will be an important one from the fact that the question of organizing a U. P. Consistory will be informally discussed. It is not believed the time is yet ripe for organizing, however, the most serious drawback being the lack of a suitable hall in the entire U. P. in which to confer the degrees, of which there are 29, from the fourth to the thirty-second inclusive. This fact has brought up the question of erecting a Masonic hall somewhere in the copper country, Calumet for preference. There are more Masonic members here than in any other city in the upper peninsula it is contended.

With the splendid facilities that are available in Detroit for Masonic work, owing to its handsome and spacious Masonic temple, it takes four days to confer the Consistory degree. There are ample facilities there, and plenty of members to take part in the work. The structure is a magnificent seven-story building, and has an auditorium capable of seating 1,200 persons. Various lodge rooms are located on the different floors, and every facility imaginable for the carrying on of Masonic work is there.

Until a suitable building, on a smaller scale of course, is erected locally, there will be little opportunity for the conferring of Consistory degrees. However, the matter of erecting a suitable Masonic hall is being considered. As an instance of what some of the consistory degrees are like, it takes more than 100 characters to confer some of the degrees. Then, again, the paraphernalia for the work takes up a great deal of room.

### LOCAL BREVITIES.

James Nesbitt of Portland street, has opened a barber shop at Copper City, the thriving little burg north of Calumet.

Rev. Mandus Barrett, pastor of the Red Jacket Congregational church, will deliver an address tomorrow morning in the Y. M. C. A. at 9:30 o'clock at the boys' rally on "The origin of Thanksgiving." Following the address by Rev. Mr. Barrett, a number of games and aquatic sports will take place, as already outlined in these columns.

Mrs. J. H. Schiller has returned to Niles, Mich., after spending some time here.

Calumet council, Knights of Columbus will attend the funeral of the late Charles McGee of Hubbell tomorrow morning. The members will leave Calumet by the 7:45 (standard time) street car, going direct to Hubbell. The funeral will take place at 9:30 a.m. A daughter has been born to Mr. and Mrs. Sam Rowland of Kearsarge. A daughter has been born to Joseph Weiss of Yellow Jacket.

The Calumet Butchers and the Y. M. C. A. indoor baseball teams will play this evening in the Y. M. C. A. gym. The battery for the association team will be Hocking and Nick Kaiser.

A daughter has arrived at the home of Mr. and Mrs. Andrew Mollanen of South Kearsarge.
